Re: Pending Mine Permit for Decorative Development

Dear Ms. Wright:

It has come to Bluffdale City's attention that OGM is considering issuing a mining permit to Decorative Development for mining activities of Bluffdale City. This letter is to inform you that Decorative Development has not met (or even attempted to meet) the local licensing or zoning requirements to conduct such activities. For this reason, Bluffdale City strongly opposes the issuance of any new mining permit Decorative Development or any other operator. Please consider this letter also as a formal request to meet with you regarding this matter and/or for a hearing before the Board before any new permit is issued for mining activities within Bluffdale City limits. I look forward to hearing from you.

Sincerely,

PARRY ANDERSON
